Who is worthy to open the scroll?

All of earth and heaven pause

The Root of David, the Lamb Slain and the Lion Of Judah

Stands up and stand tall

Stands up and stands tall

Ofanele Nguwe

Ofanele Nguwe

(You are the One who is worthy)

Akekh' ofana Nawe

Akekh' ofana Nawe

(There is no one like You)

Ofanele Nguwe

Nguwe nguwe

Nguwe wedwa

(You and You alone)

Sometimes I feel You, sometimes I don't  
Sometimes I'll hear You, sometimes I won't  
But this I know, with all my heart, with all my soul

Ungizungezile ngasemuva nangaphambili  
(You surround me, behind and before)  
Wabek' isandla sako phezukwami  
(You've placed Your hand on me)

When You feel distant, and darkness near  
When my faith is wading through doubt and fear  
This I'll know, with all my heart, with all my soul

Uyangihlolisisa uyangazi  
(You've searched me and You know me)  
Ukuhlala nokuvuka kwami uyakwazi  
(You know my sitting and my rising)

## **Like Oil**

Words and music by Langa Mbonambi  
©2016 WWW Music

I come before You just as I am  
and lay me at Your feet  
I bring before You all that I have  
and lay it at Your feet

You are worthy, worthy, worthy Lord  
You are worthy, worthy, worthy so

Praise like oil  
For You I pour it out, for You I pour it out  
I pour , I pour it out for You

I pour this perfume not to impress  
the people standing 'round  
I pour this perfume 'cause of your worthiness  
as I behold You now

You are worthy, worthy, worthy Lord  
You are worthy, worthy, worthy so

It's foolishness I know  
But Your foolishness is wiser than my wisest, wiser, wiser

## **At A Loss**

Words and music by Langa Mbonambi and TK Mabelane  
©2016 WWW Music

Blood and water flowed from Your side  
Pouring out forgiveness, pouring out new life  
I took your place as you took mine  
A love like this how do I describe?  
But I'll give it a try

Hmm Hmm  
At a loss for words Lord  
I don't know where to even begin, no  
Hmm Hmm  
At a loss for words Lord  
It has no end, it has no beginning

While still a sinner for me You died  
Before the world began You were crucified  
You conquered death to win my life  
A love like this how do I describe?  
A love like this how do I describe?  
Still I'll give it a try

Oh Oh  
At a loss for words Lord  
I don't know where to even begin, no  
Oh Oh  
At a loss for words Lord  
It has no end, it has no beginning (Your love)  
It has no end, it has no beginning

# Hallowed Be

Word & music by Langa Mbonambi, Helena Smith, Jody Jason Peterson  
©2016 WWW Music

You spoke the word, and darkness heard  
And all that is came to be  
Creation bows, as praise resounds  
And all of earth and heaven sing

Hallowed be Your name  
Hallowed be Your name  
Hallowed be Your name  
Hallowed be Your name

Angelic beings in the unseen  
Around Your throne their worship bring  
They join with us, those made from dust  
And all of earth and heaven sing  
All of earth and heaven sing

In His temple all cry "Glory!"  
And with the angels we sing holy

Holy holy  
Holy holy

## **The Wonder (ft Greg Jorden)**

Words and music by Langa Mbonambi

©2016 WWW Music

You dwell in unapproachable light  
No one can see Your face and live  
You are the author of all life  
My every breath, it is a gift

May the wonder of You  
Never wander from me

Upon You angels rise and fall  
Under You darkness knows its place  
The same God who's word created all  
Is the same God who hears us when we pray

You are holy  
Even though I call You Abba  
You are holy  
Even though I call You my friend  
You are holy  
Even though I call You Abba  
You are holy, You are holy

# Morning Sun

Words & Music by TK Mabelane

Like the morning sun I will worship  
For the glory of the Lord rests on me  
And like a wave in the ocean  
I will pour out my soul before the King

I will soar like an eagle  
With your presence beneath my wings  
I will rise in Your glory  
I will sing with everything

'Cause I love to worship  
I love to worship You  
I love to worship  
I love to worship You

I will worship forever  
Your love for me is undeniable  
Like the mountains and valleys  
My heart is steadfast and unmovable

Kuyintokozo yam'  
Ukukudumisa Wena  
(It is my joy to worship You)
